

# FUNATICAL

serious fun

NABBI Beads are the next generation in Art & Craft, combining a CD with a large range of images and website Login Access to enable your whole family to share NABBI experiences and designs with others. Access new designs at no extra cost. With a small initial investment you can create a limitless number of artworks. Additional accessories and refills are available to help replenish and continue the experience, with no further investment required to obtain the newest images and designs. NABBI enhances natural creativity, teamwork, focus and attention whilst tuning your child's fine motor skills offering achievement and reward for effort.

## NABBI Super Set

An incredible value kit for everyone in your family to enjoy. Unleash your families creative flair and keep them entertained while they are learning. The NABBI Super Set is a great way to start the NABBI experience. This set includes a CD containing 100 cute images across a range of children's themes, including the alphabet, underwater creatures, farm animals, zoo animals, fairies and many more. There are also 15,000 beads (30 fun bright colours with 500 beads in each), 4 reusable pegboards to build the bead patterns on, plus 4 transfer sheets to help you keep the final design in one piece. Suitable for 5 years and up and with a myriad of fun opportunities to learn and enhance life skills.
